

Heritage Week 2022 Celebrates "Altogether Inclusive"

**SMALL CITY,
BIG MUSEUM**
SALMON ARM

R.J. Haney Heritage Village and Museum are celebrating the 26th Annual Heritage Week from February 21-26, 2022, with a different look. The Village & Museum are taking our Heritage Week activities online, and we are partnered with The Mall at Piccadilly for a Covid-19 safe week of celebration. So get ready to discover our rich local heritage in a whole new way.

This year's heritage week theme is "Altogether Inclusive. We work best when we work together." For decades, many Secwépemc First Peoples supported settlers in projects that had a positive environmental impact. Respect, inclusivity, and sharing knowledge created benefits for us all.

We encourage our community to follow all Covid-19 protocols while celebrating Heritage Week. Discover the history and stories that have shaped our community and rooted us in our past. We invite you to participate in our online activities and contests, stay within your household bubble, and have some safe fun.

The week-long event kicks off with our second annual online auction. Bidding opens Monday, February 21, at 9 am and closes Saturday, February 26, at 3 pm. Register as a bidder, and the online platform allows instant updates if you've been outbid, ensuring you don't miss out on the items you want to win. It is fun and easy.
